

Youth Level of Service / Case Management Inventory (YLS/CMI) in Pennsylvania

March 2022

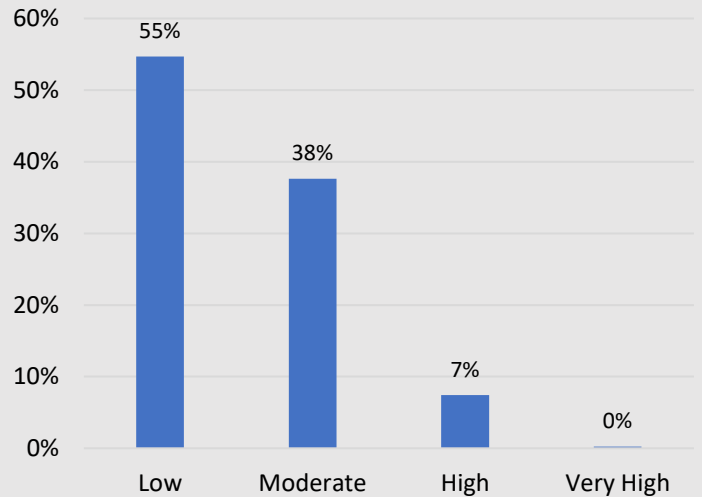

After significant increases between 2010 and 2014, the number of YLS/CMI assessments administered has mirrored disposition trends.

Total YLS/CMI Assessments Completed Vs. Total Dispositions: 2010 - 2020

Most youth entering the Pennsylvania juvenile justice system are assessed as either low or moderate risk to re-offend on the YLS/CMI.

Risk Level Distribution on Initial YLS/CMI Assessments: 2020
